AREA RUG CLIPS

Our **RG-11** area rug clip is strong. With its unique, patented design, this area rug clip can hold even the heaviest rug on the market today, and by inserting the plastic RG-12 insert, the clip can be used to hang light, delicate rugs as well.

The **RG-12** is a strong plastic insert that fits into the RG-11 only and provides protection for thin, light, delicate rugs.

The **GD-70** is a lighter gauge area rug clip suitable for hanging your various sized machine-made rugs. Not recommended on the heavier hand-knotted rugs.

The **RG-600** is a Rug Clip designed for hanging your area rugs and small carpets from your slatwall.

The **GD-60** is a lighter gauge area rug clip used for oval and shaped rugs. The hook on the clip allows it to be used on wire mesh panels.

The **GD-50** is a Rug Clip designed to hang your area rugs and small carpets from flat bar or wire hangers.

The **GD-89** is a smaller area rug clip, which can be used for lighter mats or smaller rugs.

RUG HANGERS

These strong, well-constructed, hardwood hangers feature a space-saving body and polished chrome hardware. Finished with a double coating of lacquer to prevent splintering, these high quality, low cost hangers will last.

The **13000** is a 12" wooden carpet hanger with 2 steel clips

The **18000** is a 18" wooden carpet hanger with 4 steel clips
